## ON-SITE TRAINING PROGRAM

---

The Greater Cincinnati Automobile Dealers Assn., is enhancing its long-time commitment to forwarding CPR / AED awareness by offering members an on-site program taught by our Public Safety Coordinator, Dan Moeller, a full-time firefighter and paramedic.

Equipping your employees with lifesaving skills is affordable and helps them protect co-workers and your customers in the event of an emergency.

### PROGRAM ELEMENTS

- \$25 per person for a maximum class of 12.
- Classes are between two and three hours
- Employees earn a two-year American Health and Safety Institute (AHSI) | Health Safety Institute (HSI) certification.
- Training is scheduled at your convenience and held in your workplace to help avoid lengthy commutes.

EMPLOYEES  
LEARN  
LIFESAVING  
SKILLS THAT  
CAN BENEFIT  
CO-WORKERS,  
CUSTOMERS

## INSTRUCTOR AND CERTIFICATION

---

**DAN MOELLER**

**NREMT-P, CPST-I, CPR-I**

Dan is a first responder in the Miami Township Fire and EMS Dept., and has been a certified CPR | AED instructor for seven years, teaching valuable, lifesaving skills to hundreds. He also plays an active role in GCADA's annual child passenger safety and CPR awareness campaigns.

**AHSI | HSI**

**CERTIFICATION**

ASHI CPR and AED training builds a confidence to respond by teaching through a combination of hands-on and retention resources.

The certification course conforms with the most recent American Heart Assoc. (AHA) guidelines. The training is recognized, accepted and approved by, or meets the requirements of, nearly 4,500 state regulatory agencies, occupational licensing boards, national associations, commissions and councils in more than 120 occupations and professions.
